CREATING HYPERLINKS FOR JEOPARDY POWERPOINT GAME

You are almost done creating your Jeopardy game. All you have left is to create the Hyperlinks. Creating the Hyperlinks will let you navigate through the powerpoint to play the game. A hyperlink is a connection from one slide to another slide in the same presentation or to a slide in another presentation, an e-mail address, a Web page, or a file. You can create a hyperlink from text or from an object, such as a picture, graph, shape, or WordArt.

For each of the 25 clues/question that are on your Jeopardy game, you are going to creating 3 hyperlinks.

1)point value to clue (highlight point value amount)
2)clue to question/answer (highlight the word answer)
3)question/answer to game board/first slide (highlight the home icon/house)

To create a hyperlink do the following->highlight text/picture-> Insert->Hyperlink->Select Place In This Document->Click on Correct Slide->Ok

Before turning in the finished Jeopardy game, please make sure you have checked to make sure all your hyperlinks are correct and are working. Remember please save your file as follows:
